

WELCOME TO THE...

WORLD PRODUCERS SUMMIT

FROM THE CFPE, AICP, AND APA

CARTE POSTALE

Gather key intelligence on the latest opportunities in commercials production while the rest of the advertising world sleeps at:

The World Producers Summit Breakfast

9am-11am Wednesday 24 June

Plage Goeland, Cannes

The CFPE, AICP and APA invite you to an exclusive gathering of 100 production company owners from around the world, to share the latest thinking on the commercials production business. The key issue this year is the growth of agency in-house production companies. What is happening in each market? What are the resulting threats and opportunities for commercials production companies? How should we be responding? There will also be the opportunity to raise other issues critical to the health of the commercials production industry.

RSVP info@cfp-e.com and we will inform you if you have been allocated a place.
